**To Participate in Live Workshop Polling**

Click below to bring up the interactive polling web page in a separate browser window. For best viewing, resize and reposition this video page and the polling page side-by-side on your computer desktop.

A rectangular button with a blue border. On the left is a small graphic of colorful, overlapping shapes. To the right of the graphic, the text "View Polling Web Page" is written in a blue, sans-serif font.

**To Join the Polling Session**

1. Enter session ID **"CIBWorkshops"** and click **Join Session**.
2. Enter your name and provide your organization and email address in the user data field then click **Continue**. If you prefer to remain anonymous you may leave all fields blank.

The polling screen will say "Polling Closed" until a polling question is asked at the workshop. You will then see the question and multiple choice answers. Make your selection by clicking on the number(s) corresponding to your choice or using the number keys on your computer. You may change your answer as long as polling is open.

**To Submit Questions or Comments**

You may submit your comments or questions via email during the workshop at [cibfeedback@camsys.com](mailto:cibfeedback@camsys.com). We will monitor these emails and interject web comments/questions where possible. All comments submitted will become part of the workshop record.

## STEP 2

Click on

You will see a second browser window where you can join the real-time polling session.

## STEP 3

Enter the *Session ID cibworkshops* and click **Join Session**.
